MOKU HANGA: UCSC PRINTMAKING IN TOKYO

Learn Japanese woodblock printmaking "Moku Hanga" known as the "Ukiyo-e technique" widely studied by artists today. Students will learn a wide range of both traditional and contemporary Eastern (water-based) and Western-style (oil-based) woodblock printmaking processes.

📍 Tokyo, Japan

📅 July 29 - Aug. 31, 2019
UCSC: July 29 - Aug. 9, Tama Art University: Aug. 12 - 31
